Please be aware that any aggressive dogs will be required to wear a muzzle before coming in for exams. If you think that your dog is fearful or aggressive with strangers and being handled, we ask that you either bring a muzzle or come up to the registration table without your dog and ask for a muzzle to borrow. This is for the safety of everyone. Thank you in advance for understanding!

Please email me with questions, contact information and/or to schedule appointments. Please print & fill out forms from our website or my email ahead of time for cardio. Eye forms need to be filled out ahead of time on OFA website as well and printed off. This clinic will close when full.

We ask that you leave your dog in your vehicle when you arrive, come to the table and check in. Someone will go over paperwork with you, administer drops for eye exams and verify microchips. You will be given a number to place on your car so that when it's your turn we will be able to find you. When it's your turn you will bring dog up to the door where someone will get you, please have paperwork ready.

If you are having cardio and eyes please register early because there are limited spots available.

We look forward to seeing you!!!
